Mr. and Mrs. I. W. Catlin have returned from Cincinnati. Miss Ella Argenbright, of Knoxville, is visiting her parents, Mr. and Mrs. D. K. Argenbright. Mrs. Sue Mullins and Mr. and Mrs. Edgar Herd will leave for a few days visit with relatives in Huntington, Va. Little Henry Lee, son of Mr. and Mrs. T. C. Welch, had the misfortune to get his arm broken Tuesday. Dr. Amyx was called and he seems to be resting well later. Mr. and Mrs. W. M. Thompson, of the Level Green section, has been visiting relatives in Corbin and Livingston, for the past week. Since our last letter J. W. Baker, Jr., has moved to our town and put in a stock of merchandise. Mrs. Sarah C. Inabuidt, of near Dallas, was here later part of last week to attend the funeral of her father, J. H. Owens. Mrs. V. C. Owens and children, of Hazel Patch, have been visiting relatives here for a few days. Dr. R. G. Webb has purchased and is installing a \$1,300 fountain. It looks like we all can keep cool if we have the coin. B. H. Griffin left Tuesday night to enter the service of Uncle Sam. He goes to Indianapolis. This makes three brothers to enlist. It looks like they are doing their part to fix the hated Hun. The least expected sometimes happens. We had begun to think that the pike up the river was only a dream but today the surveyors are here and have started the survey of the pike, so now it is a reality and they claim that the work will be pushed. Mr. and Mrs. Earnest Arnold, of West Virginia, are here visiting relatives. J. F. Does is overhauling his telephone lines here and adding new phones. Mr. Ab Wolf, who has been quite sick for a long time, remains about the same. Mrs. Jane Owens, of Pineville, is visiting relatives here. Prof. Lee Webb has returned from a few days visit with relatives at Lexington. We have been silent for several weeks, as far as a letter from this place is concerned and the editor even threatened to have a search warrant issued for us to see if we could be found. Well, here we are at the front again, ready to dope out the news. We have been very busy in the past few weeks as work seems to be increasing. We see our friend Robins, of Brodhead, claims that he has lost us. We have returned and at our post again, ready to give all the news we can, and ready to do all we can to help whip the Huns and carry the Stars and Stripes to Berlin and place them on the loftiest peak of the city, where we are satisfied they will be ere this war is over, and peace and good will, will reign among men. Mr. and Mrs. Edd Graves, of Covington, Ky., are visiting relatives here this week. Edd is just recovering from a severe case of typhoid fever. Maurice Cotton-gin, has a job of firing on the rail road and will go to Paris in a few days. Mrs. Thomas Farley, who has been quite sick for some time, is some better. At present, this is a busy world. Everybody is doing his part, or should be, and if there are any loafers now, you can put it down that they will not work, for there is work for everyone. The idler has no excuse now, nor will they have soon. Some of these days we are going to have one of the home-comings. This will be when the murderous Huns lay down their arms and sue for mercy, when the red-handed, blood thirsty Kaiser, and the rest of his tribe, are dethroned. We will not express our feelings, but mothers there will be a homecoming when the Stars and Stripes have been car-

ried to Berlin, when autocracy and kaiserism will forever disappear, then the boys will return home, and until then let's try and strive to do all in our power to help win this war. We have been informed that our police judge has resigned, as has also the marshal and a part of the councilmen. To do the town justice we will say that we were getting along fine until a few days ago when a few little disagreements arose and the magistrate will settle them. Our friend Robins wanted to know what has become of us; one of his letters and now we believe he has gone to hunt us, but hope he will return soon.

Died July 4th, James H. Owens at the age of 79 years. He had been in very poor health for five or six years and about a year ago he had a stroke of paralysis from which he lost the use of his left arm. About 11 a. m. Wednesday he had another stroke from which he died about 7 p. m. July 4th. He leaves his wife, one son, the writer, two daughters, Mrs. Sarah C. Inabuidt, of Dallas, Pulaski County, and Mrs. Martha Wells, of Cincinnati, O., one brother and two sisters and a host of other relatives and friends to mourn his loss. He was laid to rest in the McGuire burying ground to await the call of his master. All those that have had a like experience know the feelings of the writer.

Eberhart, the London photographer, will be in Livingston every Sunday morning during the month of July.

BRODHEAD

Twins, a boy and a girl, were born to the wife of Edd Barger, last week. Mrs. G. E. Painter, of Livingston, was the guest of the family of W. A. Carson, last week. Mr. and Mrs. O. V. Jarrett, of Berea, were with relatives here during the week. We understand that they will soon move to our town. Mrs. Bettie Tharp, and little grand daughter, Elizabeth Francisco, arrived here from Harlan county, Saturday. Mrs. Tharp, who has been there several months with her daughter, Mrs. Wm. Francis, will remain here, and in a few weeks Mrs. Francisco will move back to their home on Main street. Mr. Francisco will remain there where he has a good position. Lee McThurgue, of London, was here Saturday on business. R. L. Smith and S. S. Purcell were on the Stanford stock market Monday with fifty head good stock cattle. D. M. Cress shipped a car each of lambs and hogs from here Wednesday; Sayers & Hamm a car each of hogs and cattle. Mrs. Bowling accompanied her father, Mr. West, to his home in Laurel county, Tuesday. She will return home the last of the week. Miss Elizabeth Davis, and brother David, of Nicholasville, are with their aunt, Mrs. R. H. Hamm, this week. D. B. Chandler took Mrs. Chandler to the Norton Memorial Infirmary, Louisville, Thursday, to be operated upon. Dr. and Mrs. W. F. Carter accompanied them. Mrs. Chandler has been in poor health for several months and it is thought that an operation is very necessary. A number from here are attending the Institute at Mt. Vernon, this week. Misses Ella Belle Newland, Hazel Albright, Nina Albright and Elizabeth Davis, were in Mt. Vernon, Wednesday, between trains. Everett Watson was at home Sunday from West Point. Mr. and Mrs. Josh Wilson, of the Bee Lick section, were with her father, Mr. J. T. Lawrence, during the week. Miss Jo Davis, of Mt. Vernon, is spending several days with her sister, Mrs. Walter Robins, here. Goodbye Livingston, hello France. We understand that our good friend of Livingston is in the front line trenches and that accounts for no news from that good town for the past few months, but we hear he is on the way and when he arrives there will be no scarcity of news then.

COUNCIL OF NATIONAL DEFENSE

The Kentucky Council of Defense means to put on an all day war conference in Rockcastle county, August 6th. This will be a get-together patriotic and business gathering. Many short speeches and discussions of meth-

ods. We would be glad to have every man, woman and child in the county attend and take part in this the most important type of meeting that can now be held.

The Fiscal Court and Road Overseers are requested to have work done on all roads over which coal is to be hauled, within the next three or four weeks. We must get our fuel from local mines as we have not ordered from other sources and hauling should start early. Some of the roads are most impassible and early work on them will help solve the coal problem for next winter.

\$2,000,000,000.00 is a man's job. If a railroad train should be one second late for every dollar it would be sixty four years behind its schedule. If the people of the United States try to help the government in buying thrift stamps to the amount of \$2,000,000,000.00 we shall have to buy 500 every second from now until January 1, 1919. You see it can't be done by buying thrift stamps alone. But we must have the \$2,000,000,000.00. It's a man's job. The boys and girls have done wonders. They have bought from their own funds hundreds of thousands of dollars of the little thrift stamps. But they must be helped by the men and women if this job goes over, and in a big way, by the purchase of war stamps.

It has taken us over a year to realize that it is a man's job "Over There." And we now know that it is a man's job over here. Don't cry out against the multiplication of subscriptions and contributions and prohibitions. Did you ever stop to think that the boys "Over There" can't stop after they fight one battle and take their own time to fight the next one? It's life and blood and wounds "Over There," it's sordid dollars and cents over here. Take your choice. It's taxes one month, Red Cross the next, Liberty Bonds the next, Y. M. C. A., funds the next and K. C. subscriptions the next. That's all right. "Over There" it is gas today, shrapnel tomorrow, machine gun fire day after tomorrow and Hell every night. And our boys do not get 4 per cent compound interest on their investment of life and limb. Wouldn't you like them to know that Kentucky did not hesitate to invest money while they invested their lives? Look upon the War Savings Stamps as a man's job just as you looked up on the Third Liberty Loan.

For Weak Women

In use for over 40 years! Thousands of voluntary letters from women, telling of the good Cardui has done them. This is the best proof of the value of Cardui. It proves that Cardui is a good medicine for women.

There are no harmful or habit-forming drugs in Cardui. It is composed only of mild, medicinal ingredients, with no bad after-effects.

TAKE

CARDUI The Woman's Tonic

You can rely on Cardui. Surely it will do for you what it has done for so many thousands of other women! It should help. "I was taken sick," writes Mrs. Mary E. Veste, of Madison Heights, Va. "I got down so weak, could hardly walk. . . I read of Cardui, and after taking one bottle, or before taking quite all, I felt much better. I took 3 or 4 bottles at that time, and was able to do my work. I take it in the spring when run-down. I had no appetite, and I commenced eating. It is the best tonic I ever saw." Try Cardui.

Candidate for the Republican Nomination for Congress

W. J. HOWARD

If you believe that bankers and lawyers are the only people to draw and enjoy the big fat salaries, and if you believe further that coal barons and merchant princes are endowed with a patriotic wisdom that will nourish civilization and peacefully bless the human race, then vote for Mr. Robison, who is a banker, a lawyer and a mine owner; or for Mr. Edwards, who is president of a bank and one of London's greatest wholesale merchants, both of whom have proven to be selfish dollar makers, which very quality in man has brought the world to this, the most horrible crisis known to history.

Or, if you think the time has come that we need a common type, who live as the masses live and think as the masses think, and who get their livelihood as the people get theirs, then on the third day of August, 1918, when you get ballot in the Republican Primary you will find the name of W. J. Howard, for Congress in the Eleventh district, and vote for him.

Mainly my platform will be: "That government of the people, by the people and for the people shall not perish from the earth."

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, taken internally and acts thru the blood on the Mucous Surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

IN REMEMBRANCE.

In fond and loving remembrance of our dear companion and mother, Sarah E. Houk, who passed away July 7, 1917.

Our dear one is gone, but not forgotten.
Never will her memory fade,
Sweetest thoughts will ever linger
Around the grave where she is laid.

We loved her, oh we loved her,
But the Savior loved her more,
So the Angel sweetly called her
To that bright and happy shore.

The golden gates were open,
A gentle voice said come;
And with farewell spoken,
She calmly entered home.

It was so hard to part with her,
Oh! so hard to see her die,
But then we will try to meet her,
Some sweet day bye and bye.

Gone from our home, yes, forever,
Although we wanted her to stay
God in his Infinite wisdom
Sent his Angel to take her away.

THE FAMILY.

Meat Must Be Sold

Fresh meat is perishable. It must be sold within about two weeks for whatever it will bring.

A certain amount of beef is frozen for foreign shipment, but domestic markets demand fresh, chilled, unfrozen beef.

Swift & Company cannot increase prices by withholding meat, because it will not keep fresh and salable for more than a few days after it reaches the market.

Swift & Company cannot tell at the time of purchasing cattle, what price fresh meat will bring when put on sale. If between purchase and sale, market conditions change, the price of meat must also change.

The Food Administration limits our profit to 9 per cent on capital invested in the meat departments. This is about 2 cents per dollar of sales. No profit is guaranteed, and the risk of loss is not eliminated.

As a matter of fact, meat is often sold at a loss because of the need of selling it before it spoils.
